History of Living Streets in Canterbury

- 2004 – Canterbury Branch begins
- Started with a bang! WEA COURSE
- Experimented on Banks Peninsula – Lyttelton Map & Signage project
- Pedestrian audits
- First Walking Conference in New Zealand

2005 – Trialing Community Street Audit Victoria St

- Customer feedback to evaluate the quality of a public space based on the experiences of the users

2006 - Year of Conferences

New Zealand Walking Conference and Study Tour

Christchurch

LSA - What we plan in 2007

- Lobby all government bodies to improve & enhance the walking environment
- Continue to make submissions – local, regional
- Get walking strategies implemented
- Connect with others - around NZ and internationally
- Work with all councils in the Canterbury region to improve walking conditions
- Boost our membership using a City Mall campaign as a catalyst
- Enjoy some walking!
